Dear reader,

The book you are about to read was written by Spanish undergraduate students of the World Languages & Cultures department and illustrated by undergraduate students of the School of Art and Design, both from Georgia State University.

This project has been made with my Intermediate Spanish classes and the final product is a result of collaboration by the authors - students who wrote the original stories based on personal experiences- by the illustrators - Art students who gave life to the stories with a fresh and unique touch - and by me, who directed and supervised the whole process.

I hope you will find the stories in Serie Leamos, appealing, interesting, and enjoyable. Above all, I hope that these stories will help you love reading and reading in Spanish.

¡Espero que lo disfruten!

There was a girl named Alexandria and a boy named Sebastian. They love each other so much. They both go to Georgia State University.

Sebastian has a worrying decision to make. He could stay in Georgia or have the opportunity to go on an exchange program for the spring.

Sebastian received a letter which said he was accepted to the Erasmus University in Rotterdam.

Sebastian's parents surprised them with tickets to Germany.

Alexandria was so nervous because the trip was hours long. But Sebastian was with her, so she felt safer.

They landed in Germany and were so excited.

They couldn't believe that they were in one of the most beautiful cities with their love of their life.

In the morning, they had breakfast with Sebastian's family.

Berlin

Alexandria and Sebastian visited Berlin, the
Brandenburger Tor, Beliner Dom, and Curry 36.

Charlottenburg

Spandau

They visited Charlottenburg. They saw the beautiful palace of Friedrich II of Prussia. They took a lot of pictures.

Next, they took the train to Spandau to visit the Museum of Military History at the Berlin-Gatow airport.

Alemania

Polonia

They had to say goodbye to the city of Berlin, both of which were very sad.

When they arrived in Poland, they got on the train to go to Krakow. In Krakow, Alejandra and Sebastian joined with their friends Tim and Aleks.

In the morning, they saw the city and walked many miles. The next day, they said goodbye to Tim and Aleks and flew to the Netherlands.

MUA

In Leiden, they saw the fireworks and kissed in the new year.

They took a train to Rotterdam.

This was the place of the exchange program for Sebastian.

In Rotterdam, they ate 'stropwafels,' 'kroket,' and French fries. They saw many sights, such as the cube houses.

It was the day Alexandria needed to return to the United States for college.

Alexandria and Sebastian can't wait to see each other again and go on more adventures together!
