Dear reader,

The book you are about to read was written by Spanish undergraduate students of the World Languages & Cultures department and illustrated by undergraduate students of the School of Art and Design, both from Georgia State University.

This project has been made with my Intermediate Spanish classes and the final product is a result of collaboration by the authors -students who wrote the original stories based on personal experiences-, by the illustrators -Art students who gave life to the stories with a fresh and unique touch-, and by me, who directed and supervised the whole process.

I hope you will find the stories in Serie Leamos, appealing, interesting, and enjoyable. Above all, I hope that these stories will help you love reading and reading in Spanish.

¡Espero que lo disfruten!
